Operating System	Microsoft Windows 2000 Professional Service Pack 4 or Microsoft Windows XP Professional Service Pack 2	Microsoft Windows XP Professional Service Pack 2

Other Recommendations:

- Keep machines updated with Microsoft updates. OMT tests all software on machines that have the latest patches from Microsoft.

Not Recommended:

- Microsoft Windows XP Home Edition is **not** supported (lacks required networking capabilities for corporate & commercial use)
- Microsoft Vista Operating Systems are **not** supported
- AMD based processors are currently not recommended
